

# Chulu West Peak Climbing

## Trip Overview

Chulu west peak climbing is one of the most famous trekking peaks in Nepal. Chulu West Peak is situated at 6419m from sea level. Chulu West is located in Annapurna region in a little valley, north of Manang, Chulu West Peak stands at an elevation of 6419m. Chulu West Peak Trek, for so many valid reasons, is considered as one of the best trekking peaks in the Annapurna region in Nepal. Whether an experienced trekker or amateur climber, Chulu West Peak welcomes all and for a great trekking adventure of a lifetime, Chulu West Peak Trek can just be perfect to climb. Apart from some physical demand, there are hardly any technical difficulties on Chulu West. But sometimes unwanted snow surroundings can make the climb more challenging, making the process a bit slow. Climbers will need plenty of time for adaptation and acclimatisation to high altitude is required, the summit view is incredible: to the South is the panoramic Himalayan range, and to the North are Tibet and China. The view of Annapurna Range from the peak may be one the most beautiful and incredible sights one has ever seen; the view is unbroken from Tilicho Peak to Annapurna II.

Chulu West Peak climbing 6419m is one of the best peak climbs in Damodar Himal Range, which is looking above 5800m to 6500m peak of Nepal's Himalayas.
